## **TENNIS NEWS**

Welcome to 2012! Here's wishing everyone a Happy New Year. Last year was much fun and I hope to see your friendly faces on the courts this year. You know, it does take me more than once for the name to stick to the face, so don't be shy; come on out and say "hi" one more time.

USTA Combo season is still going on for 3 of our Kona Kai teams that have made it to playoffs. All three teams places 3<sup>rd</sup> in the standings. The first round of playoffs is on the weekend of January 6<sup>th</sup> -8<sup>th</sup>, but they are all away matches. If Kona Kai wins the first round, it is onto the second round on January 20<sup>th</sup>-22<sup>nd</sup>. This second round might see some matches at Kona Kai, yet this is still to be determined. Our other Kona Kai team finished the season in 7<sup>th</sup> place.

There is never a rest in tennis in California. We really are lucky to have such great weather most of the time to allow for year round tennis. Beginning on January 2<sup>nd</sup> and going through March 25<sup>th</sup> is the USTA Senior League. For tennis, you qualify as being a senior if you will turn 50 years old in 2012. Kona Kai has 3 senior teams. A senior mens 4.0 captained by Mike Dunnam and co-captained by Greg Jones. Welcome to captaining, Mike. I wish you a terrific experience. A senior women 4.0 captained by Lori Ventura with Maribel Trees as co-captain. This team is mainly made of 3.5 raked women who will be playing up to gain more experience. The third team is a second senior women 4.0 team captained by Vi Truong is mainly made up of 4.0 ranked players. If you are interested in playing on one of these Kona Kai senior teams, please contact the captains. Don't know how to contact them? The office staff can assist with either e-mail or a phone number. Good luck Kona Kai!!

There is a tennis event happening this month. Yes, in January. It is a Family Doubles Cup Tennis. It will happen on Saturday, January 22<sup>nd</sup>. This is an event to get the many ages of Kona Kai members out on the courts together in a fun, friendly environment. It can be father playing with son or daughter, mother playing with son or daughter, husband playing with wife, brother playing with sister, grandparent playing with son/daughter/grandson/granddaughter, etc. The combinations are many! So what if you don't have any children, aren't married, and have no relatives here? Not a problem. We can loan you a child or spouse or brother or sister. We just want members to come out and have some good fun and exercise on the tennis courts. We can't wait for this event and hope to see lots of you on the courts. There will even be 3 levels of free clinics happening right before this event. Look for the friendly e-vite for the exact time frame of this event.

That's all for now. See you on the courts.
